Peter,

RE: NOTICE OF AWARD – OCEANSIDE ATHLETICS EXPANSION PHASE I RFP

The Oceanside Collegiate Academy Board of Directors met on 12/1/2020 and by vote awarded BrightView Landscape Development the bid based on the belief your firm offers the best value to the school. As such, this memo confirms the “Notice of Award” for the Phase I Outdoor Athletics project and the associated scope that your firm submitted to the school on November 13th.

It is the intent of the school to now begin formal contract negotiations with BrightView. We look forward to the partnership.

Regards,

Erik M. Miller
Director of Operations
