Positive Vibes

Shark Talks have been held with our new Landsharks joining our school next year. The open house allows for new families to hear from our staff and students about what makes OCA so special. I love talking about our school and I'm so proud of the people that make it JAWESOME!

Student Reminders

- Work on Virtual Classes Daily
- Charge Computers at HOME
- Leave it better than you found it; pick up after yourselves and others

February 2, 2022
Signing Day
