

OCEANSIDE COLLEGIATE ACADEMY

HOME OF THE LANDSHARKS!

Dear Oceanside Families,

Tonight the focus should be on your child(ren)'s excitement about the first day of the 2021-2022 school year. Tomorrow, all students will be met with committed staff members that have worked hard to prepare for a positive, engaging and challenging curriculum.

At OCA, the child is put before the content and relationships are continually fostered to promote a productive learning environment. We are an excellent school, with excellent results and that comes from the grace and grit of every stakeholder. Our school is dynamic and strong.

Our Board of Directors previous communication addressed the most recent media publication and they will continue to work to resolve the claims from our authorizer and will be available to answer our families questions.

I want to assure you that my number one priority is and will always be our students. So, prepare the backpacks, charge the computers, reinforce a goodnight's sleep and a healthy breakfast in the morning. We are ready, we are #OCAStrong!

Go Landsharks !

Christina Brown
