

Oceanside Collegiate Academy Health & Safety Mitigation Measures 2020-2021 School Year

Oceanside Collegiate Academy has implemented the following mitigation measures to address student and staff health and safety, in-line with the South Carolina Department of Education and DHEC guidelines for the upcoming 2020-2021 school year:

- Continually assess students for potential symptoms of COVID-19.
- Strive to practice social distancing.
- Follow State guidance regarding face coverings on school property.
- Temperature checks for students and visitors upon entering campus.
- Hand sanitizing stations: installed in each classroom, main lobby, outside restrooms and high traffic areas.
- Guidelines & supplies for disinfecting classrooms (desks, tables, chairs) provided to each classroom teacher.
- Increased daily cleaning and disinfection of touch points including but not limited to doors, counters, sinks and other surfaces.
- Deep cleaning and disinfection of the building after school each night and on Friday's.
- Signage throughout the building for safe hygiene, handwashing and staying home if you are feeling under the weather!!
- Limit non-essential visitors. All visitors must use hand sanitizer upon entry. All visitors must remain in the main lobby.
- Air filters in every classroom.
- ElectroStatic Sprayer use daily.
- Specific entry and exit points to limit hallway congestion during the school day
- Additional staff members to assist and support with COVID-19 management.
- Plan for communication and management of confirmed COVID-19 cases on campus.
- Return to School protocols established for management of known COVID-19 cases.
