2021-22 GIRLS SWIM STATE CHAMPIONS

Congratulations to the Girls Swim team on their **3rd Consecutive State Championship Title** and to our boys and girls event medalists!

FIELD CONSTRUCTION BEGINS!

Our athletic turf field will serve over 300 athletes and provide a conditioning surface for all teams with academic and club use too!

We are hoping construction completion will be in time for spring sports season.

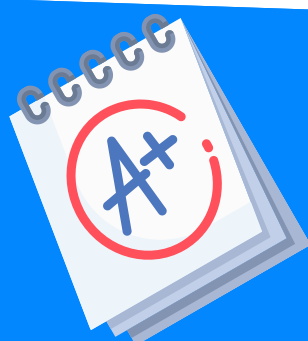

Student drivers must drive **SLOW** and be aware of construction workers and vehicles!

END OF QUARTER 1 (Q1)

Q1 Ends on 10/15/21. Grades will be stored by Monday 10/18. Please log into PowerSchool to view Q1 grade. No grade reports will be sent home.

College and Edmentum courses will not have Q1 grades. Please login to the program to view current standing or email the teacher

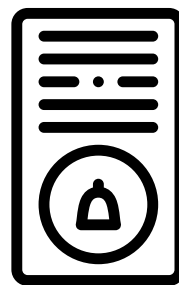

FRONT ENTRANCE INTERCOM

Visitors no longer need to stand at the locked doors and wonder "how do I get in?"

We have updated our security to include a video and audio intercom system.

Next time on campus, press the **bell** and state your name and purpose for your visit.

SHARK OR TREAT

October 27th @ 5:30

Open to the community with food trucks, bounce house, mechanical shark, and lots of candy.

Come check out our sport teams and club decorations!
